

BECOMING A CUTTER

With Jade Keller Performance Horses

Jade Keller and Horse&Rider OnDemand are teaming up to bring you the 'Becoming A Cutter' clinic series! This summer, learn from champion cutter Jade Keller where you'll go over every aspect of cutting in and out of the arena. First, we'll start in the classroom where Jade goes over everything from the tack and gear you'll see in a cutting event, to how cutting is scored. Then we'll head to the cutting pen to learn everything from how to make a cut to when it's time to quit the cow and move on to the next one.

Price

\$800 per session. All sessions will provide fresh cattle, Friday night dinner and snacks. Boarding is also provided at Morning Vista Ranch.
